

# RAFI UD DOWLA (GALIB)

Graphics Designer | Web Designer | Video Editor

Creative professional specializing in graphic design, web design, and video editing. I combine strong visual storytelling with clean, modern aesthetics to deliver impactful digital experiences. With a results-driven mindset and attention to detail, I craft designs that not only look great — they perform. Dedicated, fast, and focused on excellence.

## About Me

I'm **Rafi Ud Dowla Galib**, a creative professional skilled in graphic design, web design, and video editing. I deliver high-quality, impactful digital content with a focus on clean visuals, performance, and timely execution.

## EXPERIENCE

### Bangladesh Rice Research Institute (BRRI) 2023 - 2024

Designed and maintained web interfaces for internal use. Managed and updated daily research and operational data using **Google Sheets**, ensuring accuracy and timely reporting.

### Gausia Committee Bangladesh 2020 - 2023

Worked full-time as a video editor, creating engaging visual content for events, campaigns, and social media. Also contributed to graphic design tasks, maintaining brand consistency across all digital platforms.

### Anjuman-E Rahmania Ahmadia Sunnia Trust 2018 - 2022

Edited and produced high-quality video content for religious, educational, and organizational events. Ensured smooth post-production workflows, visual consistency, and timely delivery of all media projects.
